Special Delivery Jones W. Rene Goulet (This match had a lot of action, with each athlete trying to do the other in. The finale of this match occurred as follows: Goulet came off the ropes and Jones caught him. Jones, then, gave Goulet a Head-Butt that sent him to the mat floor. Jones, seeing that his opponent was on the mat floor, wasted no time, and hooked one of Goulet's legs for a pinning combination. Both athletes during this bout, looked good in mat action.)

The Masked Superstar W. Salvatore Bellomo (This match had a lot of action from start to finish. The finale came, when Salvatore came off the ring ropes and The Superstar was standing in the middle of the ring, waiting for him. The Superstar, then, took advantage of this situation and gave Bellomo a Clothesline.Salvatore, then, fell to the mat floor. The Super-Star, then, wasted no time and hooked Bellomo's legs for a pin combination. During this wild encounter, Bellomo looked good, but The Superstar looked sensational.)

Andre The Giant BEAT Mike Sharpe, To WIN A Battle Royal. (At the end of the royal, Rene Goulet, Mr. Fuji, Mike Sharpe, and Andre The Giant were the only men still in the ring. Andre disposed of Goulet, and Fuji with no problems at all. Andre was then left in the ring alone with Sharpe. Mike tried everything he could think of, to throw Andre over the top ring rope, on to the arena floor. Andre, finally, showed Sharpe who the boss really is, by throwing him over the top ring rope. Andre was, then, standing in the ring alone. The ring announcer then came in to the ring and announced Andre as the winner. This announcement made the fans very happy and also, made Andre the proud victor in this hard fought battle. All in all, this was a very good battle royal, with all the participants looking in tip-top shape.)

Tiger Chung Lee W. Jose Luis Rivera (This match had a lot of action, throughout. Lee, finally,was able to win this wild battle by pinning Rivera, after he executed a very effective Pile-Driver.)

Mr. Fuji DREW Tony Garea (The finale of this action packed match ended as follows: Garea executed a Sunset Flip into a pinning combination. The referee started to take the pin count. The bell, then, rang to signal the end of the match. The referee never got a chance to finish the pin count, because the bell sounded during this time. The official announcemen stated that the match went to the time limit, and was declared a time limit draw. Both wrestlers looked good in this hard fought battle.)

Hulk Hogan W. David Shultz (This match had non-stop action through and through. The beginning of his wild battle started off with a bang. Hogan and Shultz were going at it in the ring when Hogan picked up Shultz, and threw him out of the ring. Hogan, then, left the ring for the arena floor. The Hulk, then, executed a very good Back Body Drop on his opponent, that sent him crashing to the arena floor. During the match, Hogan gave Shultz a very good suplex in the middle of the ring. Shultz, during this wild encounter, was not to be counted out, by no means. He started to get dirty, by kicking Hogan repeatedly. He also gave The Hulk a Forearm to the back of the head. He, then, tried to pin Hogan, but was not successful David, during this match, was bleeding from his forehead. The finale came, when Hogan came off the ropes and landed leg first on David's throat/chest area. Hogan, then, pinned Shultz by hooking his legs. Hogan was then declared the winner, to the roar of the fans. After the match ended, David was standing on the arena floor, taunting Hogan, who was in the ring. The Hulkster, then, challenged Shultz to get back into the ring, and fight him, but Shultz, then, answered Hogan's challange by exiting for the dressing room. Hogan, then, left the ring the proud victor. During this wild match, Shultz looked good, but The Hulkster looked Incredible.)

(Continued)

Ivan Putski W. The Wild Samoan #1 (Afa) -DQ. (This match saw two great competitors go at it like wild lions. The finale of this match occurred as follows: Afa was thrown to the ring ropes, as The Samoan was coming coming off the ropes, Putski was in the middle of the ring, waiting for him, with his famous Polish hammer. The Samoan, in the meantime, pushed the referee, who was standing near him, into Putski's Polish Hammer. This action sent the official to the ring side floor. In the meantime, both Ivan & The Samoan still went at it. When the referee, finally, re-gained his composure, he signaled for the bell, and disqualified Afa, for throwing him deliberately into Putski. Ivan may have won the match by the disqualification route, but nevertheless, was still the proud victor.)
The Invader #2 W. Israel Matia (The Invader won this match by pinning Matia, after a well executed Flying Body Press. During this match,The Invader showed Matia who was the real boss in the ring.)
Rocky Johnson W. Mike Sharpe (This match saw two mat veterans go at it, non-stop. During this insane match, both athletes tried to do the other in, with everything they could think of. Rocky, finally, pinned Sharpe, with a well executed Rolling Package Cradle.)

(Continued)

Roddy Piper & David Shultz W. Andre The Giant & Jimmy Snuka -DQ. (This match was wild, to say the least. Andre's forehead was busted open, by Roddy, with the use of a foreign object, believed to be brass knucks, I'm sure. Andre's forehead was a bloddy mess, and Piper went crazy, and gave Andre a good going over, by kicking The Giant in the head, numerous times. Andre was in very bad shape, and the doctor, as well as the referee, got The Giant to leave the ring, with some escorted help, to go to the dressing room. At this point, Andre was officially out of the match, so Jimmy had to it, alone. So it was Snuka against Piper and Shultz, handicap style. Jimmy was doing pretty good against the two ruffians. Snuka used some well executed Head-Butts on his vile opposition, in fine fashion. Piper and Shultz then got the upper hand, and beat up Snuka. All of a sudden, the injured Andre stormed back into the ring, and cleaned house with Piper and Shultz. Andre's forehead was wrapped in what appeared to be a towel. The battered and bloody Andre did not care, and did his thing against his foes. The referee soon called for the bell, and disqualified the fan favorites, because The Giant was not supposed to be back in the ring. So the team of Andre and Snuka met defeat at the hands of Piper and Shultz, via the disqualification route. Andre really disqualified himself and his partner, with his insane action. Piper looked great against Andre, in this battle. Roddy is a tremendous worker. And in this encounter, the Giant looked pretty good. Snuka and Shultz looked good, also. Piper is in a class all by himself, and gives the fans what they want, real excitement, from start to finish. This was one hell of a sensational bout, and thats an understatement.)

Tony Garea W. Mike Sharpe -DQ. (Sharpe was disqualified, for striking the referee, as well as choking Garea.)

Bob Backlund D.C.O.R. Greg Valentine (Both men were counted out, outside of the ring, by the referee. Bob and Greg looked alright, in mat combat, but not terrific.)

Tito Santana DREW Paul Orndorff (This was a hard fought battle, with alot of action. Both combatants gave it their all. Paul is a very good grappler, to say the least. Tito did his stuff, but he could not put Orndorff away. This bout went to the full time limit.)

Sgt. Slaughter W. Mr. Fuji & Tiger Chung Lee (Special Handicap Match: The Sarge beat Lee, by submission, with The Incredible Cobra Clutch/Sleeper Type Hold, after a Devestating Cannon/Clothesline Drop. The Sarge is one rough customer, and can do it all.)

Rocky Johnson & Tony Atlas D.DQ. The Wild Samoans #1 (Afa) & #2 (Sika) (Both teams fought out of control, and were disqualified, by the referee. Rocky used his boot, on the Samoans, to no end. This was one rough and tough battle, between two great teams.)

TRIP TO PHILADELPHIA
BY
KENNETH LEVITT

Salvatore Bellomo W. Miguel Feliciano (Bellomo came off the ropes, and rammed his opponent. Miguel, then, fell to the mat floor, and Salvatore, wasted no time and pinned him.)
Terry Daniels W. Butcher Vachon (By pin, after a well executed Sunset Flip Cradle. Vachon and Daniels both looked good in mat action.)
Greg Valentine DREW Tito Santana (This match had alot of action, througout. During the match, Santana executed a very good Dropkick. Towards the middle of the match a slugfest erupted and then, each athlete tried everything he could think of to defeat the other. The bell finally rang, to signal the end of the match. The official decision was announced as a time limit draw.)
Paul Orndorff W. Jay Strongbow (Before the match started, Orndorff was standing on the arena floor, talking to the sports commentator of cable television. This made Jay very upset, while standing in the middle of the ring. Jay only wanted Paul to come into the ring, so they could get started. Orndorff got very upset with the fans, because they started to call him Paula. This match for the most part, had a great deal of action, with each athlete trying to do the other in. Paul finally got the upper hand, and executed a Clothesline on Strongbow. Jay, then, fell to the mat floor, and Paul wasted no time to pin him. During the match Jay looked good, but Paul looked Sensational.)
David Shultz D.DQ. Sgt. Slaughter (During this action packed match, The Sarge used his belt on Shultz. Shultz and Slaughter were both bleeding from their forehead's. The referee finally stopped the match, because he could not control the action. The Final decision was announced as a double disqualification. Terry Daniels and Butcher Vachon came to the ring finally, to help break up both athletes, who were bent on destroying one another.)

(FIRST FALL- Andre pinned Afa, after a foot to the mid-section.)
(SECOND FALL- Andre gave a foot to the mid-section of Goulet. Goulet then fell to the mat floor. Andre then tagged Snuka. Jimmy, then, climbed to the top ring rope, and then onto Andre's shoulders. He then executed his famous "Superfly" Dive, and fell on Goulet. Snuka, then, hooked one of Goulet's legs for a pin combination. This match had a lot of action, through and through.)
The Iron Sheik W. Bob Backlund -DQ. (This match had a lot of action, with both athletes trying to do the other in. The World Wrestling Federation Champion, Hulk Hogan, accompanied Bob to the ring. He stayed at ringside all during the match. The Iron Sheik started to get dirty, and The Hulkster could not contain himself. He entered the ring to help Backlund.
